50 QUESTIONS TO ASK IN A SPIRITUAL PSYCHIC READING

You've made the decision to get a spiritual psychic reading, check! You brewed a hot cup of peppermint tea, check! You've dropped some lavender essential oil in your diffuser, check!

Now it's time for you to talk to a psychic and have your fluffy socks knocked off!

But before you dial the number to talk to a psychic by phone or open your laptop to chat with an online psychic, do you have your questions prepared... *or is your mind still racing wondering what to ask in your reading?*

The truth is, in order for you to have that ever elusive "clarity breakthrough," you need to ask the right kind of questions.

Hint: Those questions are not, "Will I ever meet Justin Timberlake?" or "Will that hot barista at Starbucks ever ask me out?" (We never recommend that people spend money on prediction readings.)

In fact, the best questions to ask in a psychic reading start with either "how," "what," "where" or "why" (NOT "when", "who" or "will").

These questions are open ended and allow for the most insight... say hello to empowerment!

Without further ado, here are 50 inspiring and empowering questions to ask in your psychic reading:
